

REMARKS

The Notice of Non-Compliant Amendment dated October 14, 2005 alleges that Applicant's amendment dated September 30, 2005 is non-compliant due to "where would you like the paragraph added." Applicant finds this reason curious because the September 30, 2005 amendment unambiguously identified the amended paragraph as paragraph [0004]. Nonetheless, to ensure absolute clarity on this issue, the preceding page explicitly instructs the Office to replace original paragraph [0004] with the amended paragraph [0004]. In view of this clarification, the amendment is now compliant with 37 C.F.R. §1.121.
